Smile in the Mirror (Part - 1)

It was 11th April, 2011. It was Tejasvini's 12th birthday. Her farther gifted her a beautiful bicycle. It was a unique bike. Blue in colour, a soft seat, a little bell and a rear view mirror.

When Tejasvini saw her bicycle, she said, "Wow !" She felt proud ! She placed her foot on left pedal and yelled, "Here I goWooo...hooo." She moved faster and faster. She went to the river bank. She enjoyed riding the bicycle on this rough path.

She was riding at her top speed. Then she noticed a red button near the bell. What was that ? She pushed the button.

Lo and behold !

There came out a big fan on the rear wheel. The fan started rotating. "vroom...vroom..." It thrilled Tajesvini. She pedaled the bicycle with full strength.

And what a miracle ! The bike's front wheel rose from the ground... And then the rear one. The bike was flying now. She pedaled faster and the bicycle went up and up... three.... four.... five.... fifty meters !!

She was thrilled. Now she

was flying.... over the river !! She looked down, "Oh ! Is that a kite in the river ?" It was a boat. She turned the handle towards her village. She saw her school, "Oh ! No ! There are so many leaves of trees on the roof ! I will clean them tomorrow !" she thought. What else could she see from there?

She opened her eyes, "Oh my God ! It was a dream." She got up, washed her face and looked into the mirror, "Hammm ! It was a dream this time but it will not be a dream forever !" She promised herself, "I will make a bike like this and fly over my village."
